

Save

on your medical and dental bills with CHSLV!

Community Health Services of Lamoille Valley (CHSLV) is the only Federally Qualified Healthcare Center (FQHC) in Lamoille County. This gives us unique abilities and the resources to help our patients receive the care you need.

With the CHSLV sliding-scale fee structure, you can save on your medical, behavioral health, and dental bills, based on your income.

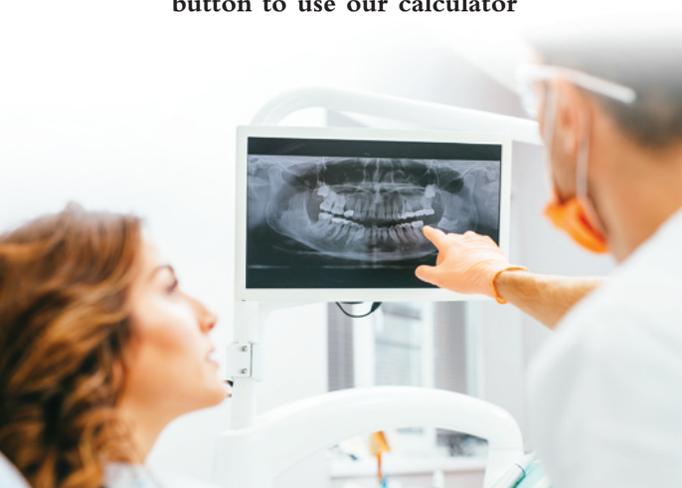

We are willing and eager to work with our patients to ensure medical and dental bills don't lead to undue financial hardship. Good health is the most important thing in life. But a little extra cash in your pocket doesn't hurt either!

COMMUNITY HEALTH SERVICES OF LAMOILLE VALLEY®

We're Neighbors taking care of Neighbors

Our Practices and Services

We accept Medicare, Medicaid and most commercial health and dental care plans.

We care about your health and happiness.

The CHSLV Family

CHSLV is a non-profit corporation that is a Federally Qualified Healthcare Center (FQHC) that brings together a diverse family of medical, behavioral health and dental practices with a single mission - to make sure everyone in the Lamoille County Community has access to high-quality comprehensive health care.

Working together, we are able to conveniently deliver complete care for everything from the common cold to painful breaks and strains to mental wellness and tooth decay.

However, our primary concern is preventative. We want to keep you well in the first place, and in this respect we know the best "medicine" is communication, cooperation, and developing a strong partnership with our patients. We accept Medicare, Medicaid and most commercial health and dental plans.

Please give your physician's office a call to set up an appointment, or if you have any questions regarding our services. We are glad to help. That's what we're here for!
